HYPOCRITIC GOVERNMENT OF THE AMERICAN IMBECILE

War between the English Crown and the American Colonies was won by foreign meddling.
Constitution between the government and its citizens has always been dominated by foreign meddling.
Nation devoid of scholarship - infested by indoctrination of inbred institutionalism.

American Entitlement has spawned a new species of subservient man which has cloned itself globally in every nation which is labeled Democratic.

Three dominant political forces of the United States of America:
- Regional popular power - loose knit amorphous mob
- Nationalist power - tight knit yet outnumbered
- Federalist power - tight knit and majority

American Government is a Federation of Independent & Sovereign States.
One Nation from all Global interactions.
Separate Independent States in all internal interactions.
Federal Power is the ability to influence the government between states.

Senate is the dominant federal machinery which governs State interaction.
Each State is given equal Federal Power.

House of Representatives is a State structure.
State is given Federal Power based upon citizenship.

Electoral College is a State structure.
State is given Federal Power to elect the President of the Federation.

American Government is a government of Inter State powers.
There is not a single mechanism which gives power to the people.
Abraham Lincoln, the Liar of Nebraska coined
- ~government for the people, by the people, of the people
- Without any substantiating foundation.

There is no power of the 'People' to influence government between States in America.

History of the Federation of American States.

1776 Established the Articles of Confederation. Each State was equal. Change to the Constitution required unanimity between all states.

1787 Established the Constitution of the United States of America, a more perfect union of the Articles of Confederation.
Federalist government established itself upon a fatal contradiction.
Independent & Sovereign States were subject to majority rule.

1850 Northern States confederated illegally to violate the Constitution into ruin.

"No State shall enter into any Treaty, Alliance, or Confederation."

"A Person charged in any State with ... Crime, who shall flee from Justice, and be found in another State, shall on demand of the executive authority of the State from which he fled, be delivered"

1860 Southern States after a decade, ruled that Northern States confederated to violate the Constitution clause of returning fugitives.
Judgment freed the Southern States from perpetual union.

1861 Northern States invaded & conquered.

1865 Federal Constitution of Independent & Sovereign States was void.
Abraham Lincoln instituted a government without constitution which existed behind the mask of the Constitution of the United States of America.
The government was national and no longer federal.
States, and much less citizens, were no longer Independent & Sovereign.
Nation is governed by a Republic, which exists independent of the citizens.

1986 Born in Mountain Home, Idaho.
Laws of this nation are not spawned from any official Constitution.
Citizens have no power in government.
Laws only subjugate the people.

Patriotic Idiot of America is given entitlements to labels without substance.
Free, landowners, source of all power.
There are no Bill of Rights, there exists only lease of land, and the laws bear NO resemblance to the general public.

Delusion of the condemned slaves sing in the pits.
